-------	------------------------

DEFINITION OF POLITICAL COMMITTEE: ARS §16-901(19)

"Political Committee" means a candidate or any association or combination of persons that is organized, conducted or combined for the purpose of influencing the result of any election or to determine whether an individual will become a candidate for election in this state or in any county, city, town, district or precinct in this state, that engages in a political activity on behalf of or against a candidate for election or retention or in support of or opposition to an initiative, referendum or recall or any other ballot measure or proposition and that applies for a serial number and circulates petitions and, in the case of a candidate for public office except those exempt pursuant to §16-903, that receives contributions or makes expenditures in connection therewith, notwithstanding that the association or combination of persons may be a part of a larger association, combination of persons or sponsoring organization not primarily organized, conducted or combined for the purpose of influencing the result of any election in this state or in any county, city, town or precinct in this state.

INITIATIVE, REFERENDUM AND RECALL EFFORTS:

Before circulating petitions, a political committee must file its Statement of Organization with the appropriate filing office. Signatures obtained on petitions prior to the filing of the Statement of Organization are VOID and shall not be counted in determining legal sufficiency of the petition. §§19-114(B) and 19-202(C). The Statement of Organization must be filed regardless of whether the committee intends to accept contributions or make expenditures.

INDIVIDUALS INVOLVED IN POLITICAL ACTIVITIES:

An individual acting alone, is not a political committee under Arizona law and need not file a Statement of Organization. If any additional person or persons join the effort (as defined above in ARS §16-901(19)) begun by an individual, the association of persons has become a "political committee" and must file a Statement of Organization before accepting contributions, making expenditures, distributing literature or circulating petitions. ARS §16-902.01(A)
